Night

Small chairs

Lazy days and serene relaxing is what the recliner is all about. Kick back and drift away into the Night...

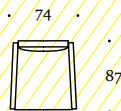

Environmentally sustainable kiln-dried hardwood frame. Steel sprung seat support. Fully integrated, high-resilience CFC-free polyurethane foam cushioning. Featuring wall saver reclining mechanism.

Made to order in swivel or standard versions in a choice of fabric or leather. Feather lumbar cushion and actuator loop in covering matching upholstery. Optional contrast piping available.

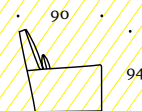

Above and previous: NG75 recliner chair.
