Profile

Comfortable yet concise, Profile offers perfect proportions with timeless elegance.

Environmentally sustainable kiln-dried hardwood frame. Steel sprung seat support. Multiple layer, high-resilience CFC-free polyurethane foam seat and fibre cushion back.

Made to order in a choice of fabric or leather. Sofas available in two seating depth options. Bolsters or scatter cushions standard in covering matching upholstery. Hardwood feet available in a range of stain finishes.

Clockwise from top:
 PR169DL, PR91DR modular assembly; PR208/2 sofa.
 Previous: PR91DR, PR169DL modular assembly.

Designed and made in Australia,
 backed by premium warranties
 and environmental credentials.
